Pig Dinner is different this year

Let's have the Pig Dinner reunion at the house! Yes, I mean, let's stay at the house, play at the house, and eat at the house. What better way to relive the glory days than to be living at 707 again? We are scheduling it the weekend of July 17th, so the rooms will be empty for our use. We plan cookouts, corn hole, hanging out, golf, and revisiting some of the old haunts in town. It will coincide with the A2 Art Festival, so the town will be in party mode, too.

Save the date (the whole weekend Jul 17th).

Mudbowl lives

The SAEs may have been thrown off campus, but the slop and slide of Mudbowl tradition lives. Fijis put up a valiant fight, but finished second to the Phi Psis. Check out the full story and pics clicking below:

Blast from the past 1996

The class of '95 will be celebrating their 25th reunion at Pig Dinner this year, so the classes of '94 and '96 will want to be there with those Brothers, too. The newsletter from '96 was full of goodies that should stir the juices to be part of the reunion group.

Revive brother updates

Here are some more pcs of Grad news from '94. <http://www.phigams.org/articles/blastsumm94>

The thing that makes it so compelling is the updates from the Grad Brothers. I want to make this a regular part the the Ephliers. Please take a couple minutes and send me your latest antics. You can use the form below to make it easy, and just email it back to me. fijiman@metalmasters.com

Flyby for OSU football game

If you were at *the* game in A2 this year did you look up at the 3 jets for the flyby? Did you notice the **GO BLUE** on the wing of the lead plane? It was there with pilot , Commander David M Palpern, Alpha Phi 2000. Brother Jake Doyle and a group of his classmates had a chance to visit with Dave at Willow Run airport, and then let him catch up on things at 707. See more pics at
